

Incessant Technologies to acquire 55% interest in RuleTek

Strengthens its Digital Integration capabilities and expands footprint in North America

May 31, 2017, Hyderabad, India: [Incessant Technologies](#), an [NIIT Technologies](#) company and a leader in Digital Integration and agile delivery of Enterprise BPM solutions, today announced that it has signed a definitive agreement to acquire 55% interest in [RuleTek LLC](#), a BPM architecture services company with a track record of successful implementations for Fortune 500 companies.

Headquartered in Meridian, Idaho, RuleTek is a fast-growing business serving customers in the US, with about 65 employees. The company reported revenues of US\$ 6.47 million for FY2017. This transaction will enable [Incessant](#) to strengthen its Digital Integration capabilities, expand its footprint in the high-opportunity North American market, and add near-shore capabilities to its existing delivery model.

*Speaking about the transaction, **Mr. Vijay Madduri, CEO, Incessant Technologies** said “RuleTek is a perfect match for us, offering substantial synergies to accelerate our growth in the North American market. This transaction also strengthens our position as a leader in Digital Orchestration and Enterprise iBPM solutions.”*

*Speaking on behalf of RuleTek, **Mr. Korby Wright and Mr Mark Covrig, Managing Directors**, commented, “We are excited to join forces with Incessant, which will enable us to better serve our clients with the combined capabilities of both organizations.”*

***Mr. Arvind Thakur, CEO and Joint MD, NIIT Technologies** commented “This initiative enhances our near-shore capabilities in line with the intent to service our US clients with a well-rounded delivery model involving onsite, offshore, and near-shore capability.”*

This transaction will be margin and earnings accretive. It will also provide the clients of [Incessant](#) and [RuleTek](#) access to over 500 certified consultants.
